

## BIOGRAPHY

**Susannah Crabol**  
**AMFTA Secretary**

Susannah co-created AMFTA in collaboration with its Airbus founding member Jean-Michel Bigarré in 2019. Susannah has over 20 years experience in the aeronautical industry, in flight training, as well as the maintenance and engineering world.

She brings her technical, contractual & commercial experience to AMFTA, combined with a strong corporate communication background, and has held various positions in Airbus Services such as Head of Europe & Americas (Contracts & Warranty), Marketing, and Strategic Portfolio Management.

Throughout her career, she has focused on building airline operational exchanges, to facilitate a smooth transition from the manufacturer to operations.

Susannah presently holds the position as AMFTA Secretary
